Mission

The Mission of PSRI is to promote the understanding of population phenomena and related issues in pursuance for improvement of quality of life through:

- Generation of knowledge on population and related areas;
- Promoting dissemination and integration of such knowledge for the improvement of quality of life; and
- Enhancing the capacity of individuals and institutions to generate and utilize population information for sustainable development”

Vision

- The Vision for PSRI is to be an exemplary centre of excellence for research, teaching and training in population studies and related areas.
